Mrs. Della Chapman,
2708 Ethel St.,
Waco, Texas.

My dear Cousin Della:

Just to send you our good wishes and love and to say that I was in your home two years ago. I have not forgotten the special effort you made to diet a sick man. I had the "flu" at that time, but did not let you all know it. I was away ten days and had to take my bed after I reached here.

Give my love to all the family.

Sincerely your Cousin,
